Registry Admin

registry@pensms.test

- 1. **Students** → **New student**.
- 2. Enter full name, email, date of birth, programme, academic year and enrolment status.
- 3. Optional: an **Initial password** creates the student's login.
- 4. **Create student**. A Student ID such as **SMS-2026-0007** is generated and the programme's fee is assigned.

Duplicate emails, future dates of birth and students under 15 are refused with a clear message.

Record a payment

The outstanding balance updates the moment a payment is saved.

The screenshot shows a web application interface with a sidebar on the left containing navigation links: Home, Students, Fees, Payments, and Reports. The main content area displays a 'Registry' page for a student named 'Rafaela Uddin'. A modal window titled 'Record payment' is open in the center. The modal contains the following fields and information:

- Record payment** (title)
- Outstanding balance:** 60,000.00 BDT
- Amount (BDT):** A text input field with the placeholder 'e.g. 25000'.
- Payment date:** A date picker field showing '09/18/2026'.
- Reference number:** A text input field with the placeholder 'e.g. BANK-2026-0412'.
- A note below the reference number: 'Must be unique. Letters, numbers, and - _ / only.'
- A blue 'Record payment' button at the bottom right.

1. Open the student → **Fees** tab.
2. **Record payment:** amount, payment date and reference number.
3. Payments above the outstanding balance, repeated reference numbers and future dates are refused.
4. **Adjust fee** for a scholarship or agreed amount (*Manual amount*), or reassign the programme tariff.

Outstanding in this view: 435,000.00 BDT

- Columns: total fee, paid, outstanding, due date, status.
- Filter by **Overdue**, **Outstanding**, **Paid** or **No fee assigned**.
- Overdue** means a balance is left after the due date. A fee due on 30 Sep is overdue from 1 Oct.
- Open a student from here to record a payment.

Create and manage assessments

Each assessment belongs to a programme; only its students see it.

The screenshot shows the 'New assessment' modal form overlaid on the 'Assessments' page. The modal has a title 'New assessment' and a close button. Below the title is a description: 'Students of the chosen programme can submit while the assessment is open. Submissions after the deadline are accepted and flagged late.' The form contains the following fields:

- Programme:** A dropdown menu with the placeholder text 'Choose a programme'.
- Title:** A text input field.
- Module:** A text input field.
- Submission deadline (Dhaka time):** A date and time picker showing 'mm/dd/yyyy --:-- --'.

At the bottom right of the modal is a button labeled 'Create assessment'.

The background shows the 'Assessments' page with a table of existing assessments. The table has columns for 'Assessment', 'Status', and 'Action'. The 'Assessment' column lists items like 'Financial Accounting', 'Database Systems', 'Algorithm Design', and 'Business Strategy'. The 'Status' column shows 'Open', 'Closed', and 'Late'. The 'Action' column has buttons for 'Open', 'Close', and 'Reopen'.

1. **Assessments** → **New assessment**.
2. Choose programme, title, module and deadline (Dhaka time) → **Create assessment**.
3. While **Open**, students can submit. Work after the deadline is accepted and marked **Late**.
4. **Close submissions** when marking starts; **Reopen submissions** to undo.

Publish all results for Abir Hossain?

All 1 of Abir Hossain's results will be visible to them (1 currently withheld).

Abir Hossain has an overdue balance of **150,000.00 BDT** (30 days overdue). Results are not withheld automatically — publish only if Registry policy allows it.

Cancel **Publish marksheet**

1. **Results:** choose an assessment to grade and publish in one place.
2. **Publish / Withhold** one result, or **Publish all results** for the assessment.
3. On a student's **Results** tab, **Publish marksheet** releases all their results.
4. If the student has an overdue balance, the confirmation shows it. Results are never withheld automatically; the decision is yours.

Submit your coursework

Only your own programme's assessments are listed.

The screenshot shows the 'Assessments' section of the PEN SMS Student Portal. The left sidebar contains navigation links: PEN SMS, Dashboard, Fees, Assessments (highlighted), and Marksheet. The main content area is titled 'Assessments' and includes a sub-header: 'Submit a PDF or DOCX while an assessment is open. Work submitted after the deadline is accepted but marked late.' There are two assessment cards. The first card, 'Database Systems Coursework', shows a submission of 'Rahim_Uddin_DB.pdf' (1 KB) with a status of 'Late' (submitted 06 Sept 2026, 16:33). A message below states: 'The deadline has passed. Your existing submission can no longer be replaced.' The second card, 'Algorithms Assignment 1', shows a status of 'Pending' (due 28 Sept 2026, 16:33) and a message: 'You have not submitted this assessment yet.' Below this is an 'Upload your work' section with a 'Choose File' button, a 'No file chosen' text, and a 'Submit' button. A note at the bottom indicates 'PDF or DOCX, up to 5 MB.' The user's profile 'Rahim Uddin' is visible in the bottom left corner.

1. Under **Upload your work: Choose File** (PDF or DOCX, up to 5 MB) → **Submit**.
2. Before the deadline you can replace it: choose a new file → **Replace** → confirm **Replace file**.
3. After the deadline, new work is still accepted while the assessment is open, but marked **Late**. A submission can no longer be replaced.
4. If uploading is not possible, a lock message explains why. Click your file name to download it.

Your marksheet

Results appear once the Registry publishes them.

The screenshot shows the 'Student Portal' interface. On the left is a sidebar with navigation links: PEN SMS, Dashboard, Fees, Assessments, and Marksheet (which is highlighted). The main content area is titled 'Marksheet' and includes a sub-header 'Your published results. Results appear here once the Registry publishes them.' Below this is a table with the following data:

Assessment	Module	Grade	Classification
Database Systems Coursework	Database Systems	70	Distinction

Below the table, a classification legend is provided: 'Classification: Distinction 70–100 · Merit 60–69 · Pass 40–59 · Fail 0–39.' At the bottom left of the sidebar, the user's name 'Rahim Uddin' and email 'rahim.uddin@student.p...' are displayed.

- Each published result: assessment, module, grade and classification.
- Classification: **Distinction** ≥ 70 · **Merit** ≥ 60 · **Pass** ≥ 40 · **Fail** below 40.
- Results that have not been published are not shown, and are not sent to your browser.
